Dear Skipper,

This letter is in regard to a former Scoutmaster who should be put on the confidential list.

Name: Harold Pound
Address: Cascade, Montana
Age: 42 (1963)
Height: 5'9"
Weight: 190 lbs.
Occupation: Former Deputy Sheriff and heavy equipment operator for the County.
Marital Status: His wife has applied for a divorce

Harold Pound pleaded guilty to committing a lewd act on a 6 year old girl and was sentenced to 15 years in Montana State Prison. Brought in the legal proceeding was the fact that he was discharged from his position as Deputy Sheriff for conduct "unbecoming a peace officer" - he tried to assault teen age girls in the County Jail.

Other facts which came out after his conviction was a similar charge of child molesting several years ago in Kalispell, Montana. During the past year he has been buying liquor for high school students. He also used \$50.00 of American Legion baseball funds for his own use.

He first registered with Pack 3016 of Cascade, Montana as Committee-man in November 1959. He became Cubmaster of same unit in November 1960 and held that position to November 1962. He also registered on the Committee of the Troop 16, Cascade, Montana, in November 1960 to November 1962 when he became registered as Scoutmaster of that Troop.

Attached is a newspaper clipping regarding his conviction.

If further information is desired, please advise.

Sincerely,

P. Beryl Morris

15 Years in Prison Given for Lewd Act

Harold Pound, 42, Cascade, so Pound could support his family. Thursday was sentenced to serve 15 years in Montana State Prison for committing a lewd act on a 6-year-old girl.

The former deputy sheriff and father of seven children was obviously shaken by the sentence. As he stood before the court his shoulders heaved as if he were trying to suppress his sobs. As he turned away tears were rolling down his cheeks.

Judge Scolds

The sentence was imposed by District Judge R. J. Nelson, who told the defendant, "There is one thing clear . . . you are dangerously depraved."

LaRue Smith Jr., court-appointed attorney, asked for leniency noting that Pound has not previously been convicted. He suggested a suspended sentence

Deterrent to Others

The judge said the purposes of his sentence were two-fold, "to deter not only you but also to deter others." Nelson said under the current parole laws Pound probably would not serve a long term in prison but added that he wanted the sentence to be long enough that the defendant would be under supervision for a long time.

Pound was discharged from his position as deputy sheriff three years ago for conduct "unbecoming a peace officer," according to Sheriff John Krsul. Since that time he has worked for the county road department.
